Hello Spirit Word International,

We would like to take a moment to update you on some exciting & significant changes at Messenger International Australia. It is with great joy we announce that Glenn & Esther Nurse are taking up roles as itinerant ministers of the gospel within their own ministry, Spirit Word International.

It is bitter sweet for us at Messenger International as this means they have ceased their roles as managers of the Messenger International Australia office.

Glenn & Esther have been with Messenger International Australia from its inception and have played extremely significant roles in the growth and development of Messenger International Australia. We would like to take this opportunity to publicly & sincerely thank them and say we are going to miss them so very much as they have done such an amazing job pouring their heart, life & soul into this ministry. We totally love Glenn & Esther and words can't even begin to express how much it has meant to us that they have served God so closely with us.

Glenn & Esther have been excellent in all their practices, in believing God, in business, being spiritual & practical in all they put their hand to. We realize they have a call of God on their lives, which is why we are releasing them with absolute joy & blessing into their new season!

Lisa & I have been friends with Glenn & Esther for many, many years & we will continue in our lifelong friendship with great love, support & relationship as we work together building God's magnificent kingdom.

We are sure you will join your faith with us, believing God for their greatest success and His richest blessings on Spirit Word International.

We are also very pleased to announce that David Milne will be taking over as Australian Office Manager effective immediately. David is full of ingenuity, creativity and carries much corporate & business experience. David also has a strong passion for the kingdom of God and we are looking forward to continued growth & increase of God's work through the Messenger International Australia office.

Please know that David and all the Australia office staff are here to help you & continue their part in the building & increasing of God's kingdom through Messenger International Australia.

If you would like to contact David, please do not hesitate to do so as he would love to hear from you! His details are:
